STANDARD RATE SCHEDULE Residential Service-Low Usage (RSLU) Rate 110

AVAILABILITY:

Available only to permanent residences occupied on a full time basis subject to the established rules and regulations of the Cooperative. Residential – Low Usage customers should not exceed 600 kWh consumption during any one of the billing months of June through September. If the metered consumption exceeds 600 kWh during any of those months, the cooperative shall review with the customer their billing history to determine if a better rate exists for that customer's usage quantity. This rate is only available for one calendar year at a time and must be renewed at the beginning of each year. Applications or reapplications for this rate will primarily be accepted at the office of the Cooperative from January 1st through March 31st each year that the rate is available. Applicants must provide verifiable proof that they are approved for the Oklahoma Department of Human Services LIHEAP program or equivalent program from June 1st through September 30th.

TYPE OF SERVICE:

Single-phase, 60 Hertz, at available secondary voltages
